Quality Policy

Composites Atlantic Limited designs, develops, and manufactures advanced composites products, and integrates aerostructures for the aerospace, defence, and space industries, worldwide.

Our track record in cost efficiency, quality, and service to our Customers, is our hallmark. The management and the employees of **Composites Atlantic Limited** are committed to maintaining this high standard.

We strongly believe that:

**Our Customers are our future and our
Employees are our most valuable resource.**

Composites Atlantic Limited has created an environment for continuous improvement of its processes and services, to better serve our Customers. By utilizing ISO 9001/ AS 9100 as its Quality platform, quality objectives are established and reviewed at regular intervals. Customer satisfaction is ensured through the effective application of the quality management system.

A handwritten signature in blue ink, appearing to read "M. Guitton".

Maurice Guitton
President & CEO
